HOW TO ACCESS URGENT DENTAL CLINICS OVER AUGUST BANK HOLIDAY

If you require urgent dental treatment over the August Bank Holiday, you should contact your own dentist during their opening hours.

Dental practices will be open on all days apart from weekends and bank holidays.

If you need urgent dental treatment outside of your dentist's opening hours including the weekend and bank holidays, or if you do not have a dentist, contact

NHS 111 Wales

for advice and booking onto the urgent dental service clinics if necessary.

Please be aware that urgent dental clinics operate by appointment only.

Please do not attend our urgent dental clinics without an appointment, as you will not be able to be seen.

Further information about making an urgent dental appointment can be found on our website.
